AJISHA

Frontend Developer

+91 7538852926 | ajisha2192004@gmail.com | Verkilambi, Kanyakumari, Tamil Nadu

PROFESSIONAL SUMMARY

Enthusiastic Frontend Developer with hands-on experience building clean, responsive, user-friendly web applications using HTML5, CSS3, JavaScript and React.js. Skilled in styling with Tailwind CSS, MUI and Bootstrap, with a strong eye for accessibility, reusable components and small design details. Looking for an entry-level Frontend Developer role where I can contribute to polished, maintainable interfaces and keep growing.

KEY PROJECTS

Flourish Cake Shop

React.js · JavaScript · React Bootstrap · CSS3

- Built a responsive cake shopping website where users can explore cakes, view product details and manage a shopping cart.
- Created reusable React components for product cards, navigation and cart functionality.
- Designed a soft, brand-consistent layout that works across phone, tablet and desktop.

Aura Beauty

React.js · JavaScript · React Bootstrap · CSS3

- Developed a responsive beauty and cosmetics website that lets users browse products and contact the store.
- Implemented a clean product showcase and contact flow with React Bootstrap components.
- Ensured a consistent experience on mobile and desktop screens.

Stone Sip

HTML5 · CSS3 · JavaScript · Bootstrap

- Built a modern cold brew coffee website where users can explore coffee products and manage their shopping cart.
- Implemented cart interactions using JavaScript and structured responsive layouts with Bootstrap.
